About Our Speakers

Quinn O'Briant, MFA, MLA, is a noted expert in creativity and innovation who has inspired and taught thousands of people around the world. Today she is a public speaker and thought leader in innovation and design as well as a Guest Lecturer in Innovation and Design at Emory University.

Quinn is a two-time author, serial entrepreneur, and former English and Creative Writing professor. She holds a BA in Religion from Emory University, a Master of Fine Arts in Creative Writing from Goddard College, and a Master of Liberal Arts from Stanford University.

Robbie Leonard PT, DPT is a 1986 graduate of Clemson University (B.S. Microbiology), a 1988 graduate of Duke University (M.S. Physical Therapy) and a 2017 graduate of the University of Montana (tDPT). She is certified in Lean Healthcare by the Belmont University, Massey Graduate School of Business and is certified in Healthcare Compliance by the Healthcare Compliance Certification Board.

Robbie has worked in the rehabilitation industry since 1988 in many different capacities. In the last ten years she has worked as the VP of Administration for a PT owned private practice that grew from 9 clinics to over 35 in 3 states during her tenure. She most recently served as the COO for the Medical Billing Center (MBC) which is a therapy specific billing company who bills for over 80 private therapy practices across the country. Robbie still serves in an independent contracting role as the Chief Learning Office for MBC. Robbie is currently the co-founder and a consultant with 8150 Advisors and the owner of Robbie Leonard Consulting, LLC.

Dr. Leonard has clinical and administrative experience in a variety of settings including inpatient and outpatient rehabilitation. Dr. Leonard has served as an educator in both the academic and

continuing education settings. She has provided continuing education seminars nationwide in the areas of administration, Medicare, billing and coding, compliance, and neurological rehabilitation. She has taught in the academic setting at MUSC and at Western Carolina University (WCU) and has taught the Administration class for the students at WCU since 2001.

Dr. Leonard has been recognized for her teaching ability as the past recipient of the Educator of the Year Award for the South Carolina Area Health Education Consortium, the J. Dale Pounds Award for a person who makes a significant impact on the physical therapy students of Western Carolina University, the MUSC College of Health Professions Teacher of the Year Award and the MUSC Health Science Foundation Excellence in Teaching Award for Developing Faculty.

Robbie has been an active APTA member since 1986 and has served the SCAPTA chapter in the past as District Chair, Delegate, Treasurer, and as a Key legislative liaison. She is a past member of the APTA Public Policy and Advocacy Committee (PPAC) and is a current member of the Private Practice Section Annual Program Work Group and the SCAPTA Payment and Policy Committee.
